

Airport collection

We know a long flight can be tiring so we can arrange for you to be met at the airport by a college-approved taxi company.

The cost of this collection depends on how long the taxi driver is waiting for you (which depends on how long it takes to clear immigration and customs). It is usually approximately £110. However, to reduce the cost we can arrange for the driver to arrive one to two hours after your flight is due. Please contact the Accommodation Co-ordinator if you would like to take up this option.

It usually costs approximately £100 to take a taxi from outside the airport.

If you would like to book an airport collection, please fill in the form below and return to the Accommodation Officer with a £100 booking fee as a bank draft or telegraphic transfer. You will pay any extra money later, once the Accommodation Co-ordinator has received the bill.
